MOTIONS

1. Appropriate Resourcing for Western Australian Not-for-Profit Sector *(Notice given 3 December 2008)*

Continuation of remarks Hon Ljiljanna Ravlich - mins 24 (Thursday, 20 August 2009) on the motion of Minister for Child Protection as follows -

> To delete all words after "notes the" and insert —
>
> " impact that the Global Financial Crisis is having upon the community, and notes the Government's continued work towards providing appropriate resources to the not-for-profit sector. ",

to the motion of Hon Sue Ellery as follows -

> That this House notes the changing demands for assistance on the Western Australian not-for-profit sector and calls on the Barnett Government to ensure the sector has appropriate resources and capacity to meet demand.

2. Child Death Review Committee - Recommendations *(Notice given 3 December 2008)*

Hon Sue Ellery: To move -

That this House notes the recommendations of the *Group Analysis of Aboriginal Child Death Review Cases in which Chronic Neglect is Present* report of the Child Death Review Committee and calls on the Minister for Child Protection to provide quarterly reports to the House on the implementation of those recommendations.

3. Kimberley Liquefied Natural Gas Precinct *(Notice given 18 March 2009)*

Hon Jon Ford: To move -

(1) That this House expresses its concern at the comments made by the Premier to the Committee for Economic Development Australia Conference on Tuesday, 3 March 2009 in which he referred to a proposed LNG precinct to the north of Broome and stated -

> "…we are proceeding in developing an LNG precinct to the north of Broome. That's not the spectacular part of the Kimberley coast, it's flat tableland, no people living within probably 30 or 40 kilometres of the area. …..That's important, we're trying to do that by negotiation, the timetable is the end of this month. If we can't do it by negotiation, the State will resume the land. I'll do that reluctantly, but we will do it. We will not hold up economic development and we will not deny the people of the Kimberley – and particularly the Aboriginal people – the opportunity from some economic independence and some economic security."

(2) This House calls on the Premier to -

(a) explain how he can claim to be negotiating in good faith when he put on public record that if he doesn't get a negotiated outcome he will resume the land to develop an LNG precinct to the north of Broome; and

(b) explain why he is presenting a veiled threat to indigenous people in respect of this matter and whether this is a sign of things to come.

4. Freedom of Information Process *(Notice given 18 March 2009)*

Hon Ljiljanna Ravlich: To move -

That this House condemns the Premier for failing to honour his election commitment to review the manner in which Departments are administering the Freedom of Information (FOI) process, to ensure that the Government is accountable and open in accordance with the spirit of the FOI Act and calls on the Premier to explain why he has allowed a culture of arrogance, secrecy and of deliberately keeping information from the public to develop among his Cabinet Ministers when dealing with FOI requests.

5. Fremantle Port - Lead Export *(Notice given 18 March 2009)*

Hon Sally Talbot: To move -

(1) That this House condemns the Minister for Environment and the Minister for Mines for their lack of openness and accountability in relation to their decision to allow lead to be transported through 22 suburbs in the metropolitan area on its way to Fremantle and calls on both Ministers to explain why they have not made all details in relation to lead shipments public.

(2) That this House also calls on the Minister for Environment to explain why, since environmental approval was given by her for Magellan Metals to transport containerised lead carbonate through suburbs to the Fremantle Port, so little has been revealed to the thousands of families living in and around suburbs along the proposed transport route.

6. Lobbyists Register *(Notice given 18 March 2009)*

Hon Ljiljanna Ravlich: To move -

That this House condemns the Premier for breaking a key election commitment on accountability by not introducing legislation to create a public register for lobbyists in his first 100 days of government, and calls on the Premier to explain –

(a) why he has not met this commitment and when will he introduce legislation to create a public register for lobbyists;

(b) how the proposed legislation will be applied to different classes of lobbyists, consultants, consultant-lobbyists, in-house corporate consultants and in-house lobbyists employed by organizations;

(c) what are the registration requirements for lobbyists before being permitted to be on the register -

(ii) names of owners;

(iii) partner and major shareholders; and

(iv) names and positions of those employed and the names of their clients;

(d) what is the set of principles of ethical conduct relating to a lobbyist before being placed on the register;

(e) what will be the reporting requirements of lobbyists, including but not limited to -

(i) what has to be reported;

(ii) when it has to be reported;

(iii) who will lobbyists be required to report to; and

(iv) whether or not any lobbyists will be banned from being placed on the register and who they might be;

(f) the means by which a lobbyist can be removed from the Register;

(g) the appeal mechanisms for a lobbyist who is removed from the register; and

(h) the frequency that the code will be reviewed and who will have the responsibility for such a function.

7. Public Sector Expenditure - New Government Agencies *(Notice given 18 March 2009)*

Hon Ljiljanna Ravlich: To move -

(1) That this House condemns the Premier as Minister for Public Sector Management for wasting taxpayers' money in creating new government agencies, boards, committees and taskforces, at the same time as asking agencies to find savings of three percent resulting in the cuts to front-line services in health, education and law and order.

(2) That this House calls on the Premier to explain why a three percent savings target is not a "big ask" for government agencies, as he stated to the recent Committee for Economic Development Australia conference, given that the 2009-2010 mid-year review projected no savings and an expense growth of 13%.

8. Ministerial Offices - Staffing *(Notice given 18 March 2009)*

(a) reaffirm his commitment to the promise he made during the election campaign to cap the number of staff in ministerial offices at 150 full time equivalent; and

Hon Ljiljanna Ravlich: To move -

That this House condemns the Premier as the Minister for Public Sector Management for using tender arrangements as a way of hiring a media consultant for more than a year on a six figure salary, while avoiding the scrutiny of the public sector staffing cap, thereby making a mockery of his promise to cut public spending on both media and consultants; and calls on the Premier to explain -

(a) why he is hiring consultants to promote the Liberal Party at a time when he is cutting staff in crucial areas such as health, education, and law and order;

(b) why he is hiring consultants at the same time as the Treasurer announced cuts to Government spending on both marketing and media and the use of consultants in the Mid-Year Review in December;

(c) why Coulter Consulting has been engaged using a tender on a three month $25,344 contract, with the Government having an option to keep extending the contract until April 2010, given that the Government recently appointed, as Head of the Government Media Office (GMO), Mr Paul Plowman; and

(d) whether or not he has lost confidence in Mr Plowman, who was hired to run the GMO on a six figure salary on the basis that he is a highly qualified media professional.
