MOTIONS

35. Regional Freedom from Pests and Diseases *(Notice given 11 October 2005)*

Continuation of remarks Hon Nigel Hallett - mins 40 (Wednesday, 12 April 2006) on the amended motion of Hon Adele Farina as follows -

> That this House requests the Australian Government to recognize and formally acknowledge the prerogatives of Western Australia to determine regional freedom from pests and diseases on a scientific basis.

Total time remaining on motion - 2hrs 10mins.

37. Select Committee into Public Obstetric Services - Establishment *(Notice given 9 November 2005)*

Hon Helen Morton: To move -

(1) That a Select Committee of three members is appointed, any two of whom constitute a quorum, to inquire and report on the adequacy of the decision making process undertaken to determine that public obstetric services should be restricted in the metropolitan area to KEMH, the proposed Fiona Stanley Hospital and four peripheral hospitals, as outlined in the WA Health Clinical Services Framework 2005 - 2015 (September 2005).

(2) The Committee is required to inquire and report on the extent to which -

(a) the community was appropriately consulted;

(b) the community view was incorporated into the decision making process;

(c) the community received feedback about how their views were treated;

(d) the proposed model is based on evidence applicable to Western Australia in respect of -

(i) service quality;

(ii) economics;

(iii) service sustainability;

(iv) risk management,

(e) alternative models were appropriately considered and the reasons they were discarded.

(3) The Committee, and the proceedings of the Committee, are subject to Chapter XXII of Standing Orders and it is to be regarded for all purposes as a committee appointed under that Chapter.

(4) The Committee may present interim reports without a requirement for leave and is to report finally not later than 30 June 2006.

38. Select Committee into Wait Lists for Children to Access Therapeutic Interventions - Establishment *(Notice given 15 November 2005)*

Hon Barbara Scott: To move -

(1) A Committee of three Members is appointed, any two of whom constitute a quorum.

(2) The Committee is to enquire into and report on -

(a) the long wait lists for children in Western Australia accessing therapeutic interventions;

(b) the current and long term impact of the long wait times on the children and their families including the financial cost of these delays;

(c) the financial impact on the community and government of these delays and the cost of reducing them;

(d) the ability of Child Development centres to respond to children's needs;

(e) the share of the health budget directed towards acute care at the expense of world class preventable health care in the early years of childhood development;

(f) the adequacy of funding of training and supervision of new speech pathologists, occupational therapists, physiotherapists, clinical psychologists, specialist surgeons and other specially trained child therapists; and

(g) any other matters relating to therapeutic interventions for children in Western Australia.

(3) The Committee, and the proceedings of the Committee, are subject to Chapter XXII of Standing Orders and it is to be regarded for all purposes as a committee appointed under that Chapter.

(4) The Committee may present interim reports without a requirement for leave.

(5) The Committee report to the House not later than 30 June 2006 and if the House do stand adjourned, the Committee to deliver its report to the President who shall cause the same to be printed by authority of this order.

39. Nuclear Power Rejection *(Notice given 29 November 2005)*

Hon Ken Travers: To move -

That this House

(1) Rejects nuclear power as a viable alternative for addressing climate change on the basis that -

(a) it is too expensive compared to alternative strategies;

(b) it does not address the problem quickly enough;

(c) it produces waste for which there is no viable means of storage;

(d) it assists in the proliferation of nuclear weapons and increases the risk of terrorism; and

(e) there are only limited sources of high grade resources identified.

(2) Opposes a nuclear waste storage facility being developed in Western Australia due to there being numerous technical and social issues that have not been addressed and will transfer significant risks to future generations.

(3) Believes that the mining of uranium will significantly increase the pressure for a waste storage facility to be introduced in Western Australia and therefore supports the Government ban on the mining of Uranium.

40. Funding for Infrastructure and Development *(Notice given 15 March 2006)*

Hon Nigel Hallett: To move -

That this House condemns the State Government for its failure to provide adequate funding for vital infrastructure and development in rural and regional Western Australia.

41. Reform of Mental Health in Australia *(Notice given 11 April 2006)*

Hon Helen Morton: To move -

That this House -

(a) applauds the Australian Government for contributing $1.8 billion of new funding to a five year plan and a commitment to reform mental health in Australia; and

(b) calls upon the State Government to match the commitment and outline its new funding contribution for mental health reform in areas of State responsibility.
