LEGISLATIVE COUNCIL
Question On Notice

Thursday, 16 April 2020

2896. Hon Nick Goiran to the Minister for Environment representing the Minister for Transport

I refer to advertising on public transport, including buses, trains and related infrastructure, and I ask:
(a) were complaints regarding such advertising received in the 2019 calendar year;
(b) if yes to (a), will the Minister table a copy of each complaint and its corresponding advertisement; and
(c) further to (b), what was the location of the advertisement that gave rise to each complaint?

Answer

(a)-(c) [See tabled paper no.]

ATTACHMENT 1.

ID	DATE	LOCATION	DESCRIPTION
415069	19-Jul-19	Armadale Station	Caller says she would like to report an advert poster at the Armadale Station (between the carpark and station) that is inappropriate (#bonds underwear featuring an old lady and a lady sitting down). As there are many children coming to the station, customer would like to ask if the poster could be removed or an explanation as to what can be done about it.
417181	07-Aug-19	Side of Bus	I was horrified to see an advertisement for the horror movie "Annabelle" on the side of a bus when I was dropping off my kids to school. My 7 year old gets nightmares and this doesn't help!! Can it be replace it with something suitable and appropriate. Thank you
420764	12-Sep-19	Stirling Highway / Wellington Street	Customer wants to complain about the scary IT advisement that is displayed on Stirling Highway by Wellington Street in Mosman Park. She states it is a very big advertisement and is an R rated film and the image displayed is very scary. Customer's children are quite scared of it. She has called the council and main roads and they told her it is PTA's property. The council have said to the customer that they have had a lot of complaints about this.
422248	28-Sep-19	Side of Bus	How does an "R" rated movie , namely Rambo, Last Blood, get advertising space on the side of our Transperth Bus?. The poster is dark and aggressive with a fierce Stallone's face next to a huge, menacing knife. It shocked me. How does it affect the minors in our area that see this ad? I feel this poster is extremely inappropriate to be on the side of transperth buses.
