

TRANSPERTH AND SCHOOL SPECIAL BUS SERVICE BUSES — PASSENGER NUMBERS

311. Hon SALLY TALBOT to the parliamentary secretary representing the Minister for Transport:

- (1) How many passengers can be carried on a regular Transperth bus?
- (2) How many students are permitted to travel on a school special bus?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question.

- (1) The maximum licensed capacity ranges from 64 to 110 passengers dependent on the type of Transperth bus being operated on a particular bus route.
- (2) The maximum number of students permitted to travel on a school special bus service is also governed by the same licence capacity criteria.
