

LIVE EXPORT

694. Hon COLIN de GRUSSA to the Minister for Agriculture and Food:

My question is without notice. I refer to the minister's support for the continuation of the live sheep export industry as previously stated in this place.

- (1) Has the minister received an economic assessment of the closure of the live sheep export industry from her department?
- (2) Will the minister commit to tabling the document at tomorrow's sitting of the house?

The PRESIDENT: To be clear, that is a question without notice.

Hon JACKIE JARVIS replied:

- (1)–(2) I have had a verbal briefing from the Department of Primary Industries and Regional Development on work being done on economic assessment. My understanding is that that report is not yet finalised. I will review it in due course.
