

SCHOOLS — REGIONAL — ROAD SAFETY EDUCATION

678. Hon SALLY TALBOT to the Minister for Education:

- (1) Do all high schools in regional Western Australia teach a road safety education program?
- (2) If so, what does the program consist of?
- (3) If no, why not?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of the question.

- (1) Yes.
- (2) Although schools develop their own programs, syllabus content includes: the understanding of road safety concepts that enable informed decisions as a road user; skills and attitudes that support safe road behaviour; responsible driver and passenger behaviour; and law and rules.
- (3) Not applicable.
