

BUNBURY POLICE AND COMMUNITY YOUTH CENTRE HYPERSPACE PROGRAM

1156. Hon SALLY TALBOT to the Minister for Child Protection:

I refer to question without notice 1047. When I asked what the minister suggests takes the place of the Bunbury Hyperspace program, which provides a safe and welcoming place for teens on a Friday night, the minister responded with a list of services in the Bunbury area, none of which appear to provide this direct intervention program for at-risk teenagers. I ask again: what specific service or program does the minister suggest take the place of the Bunbury Hyperspace?

Hon HELEN MORTON replied:

Contact with the Bunbury PCYC has indicated that the Hyperspace program is still in operation. I, therefore, do not suggest that anything take its place.
