

BANNED DRINKERS REGISTER —
TAKEAWAY ALCOHOL MANAGEMENT SYSTEM PROGRAM — ROLLOUT

375. Hon COLIN de GRUSSA to the parliamentary secretary representing the Minister for Racing and Gaming:

I refer to the minister's answer to question without notice 323.

- (1) Of the \$565 000 cost for the first year of the expansion, what amount will be paid for by —
 - (a) the state government;
 - (b) local government; and
 - (c) the private sector?
- (2) Of the funding provided by the state government, where is money being sourced from?
- (3) What training will be provided to stakeholders in Carnarvon and Gascoyne Junction to best use the banned drinkers register and takeaway alcohol management system, and who will be expected to pay for that training?
- (4) What is the long term plan for funding the BDR and TAMS rollout across the state?

Hon DARREN WEST replied:

I thank the honourable member for some notice of the question. On behalf of the Minister for Racing and Gaming, I provide the following response.

- (1) The funding is from the state government.
- (2) The funding is from appropriations sourced from the consolidated account.
- (3) The training of stakeholders is already included in the funding mentioned. Staff from the Department of Local Government, Sport and Cultural Industries will travel to Carnarvon to train licensees and brief stakeholders on the use and implementation of the banned drinkers register.
- (4) There are a series of amendments underway to enhance the effectiveness of the BDR.
