

SOUTH WESTERN HIGHWAY — RUN-OFF-ROAD CRASHES

**32. Hon SALLY TALBOT to the parliamentary secretary representing the Minister for Transport:**

- (1) How many run-off-road crashes occurred on the 93-kilometre section of South Western Highway between the Pemberton turnoff and Walpole in —
  - (a) 2013;
  - (b) 2014; and
  - (c) 2015 to date?
- (2) Have community consultations about options to widen this section of highway been concluded?
- (3) If no to (2), what further consultations are planned?
- (4) If yes to (2), what were the results of the consultation?
- (5) What funding was allocated to this project in 2014–15?
- (6) What funding is required to undertake the safety improvements that the community is rightly demanding, and when will this work be undertaken?

**Hon JIM CHOWN replied:**

I thank the member for some notice of this question.

- (1)
  - (a) There were 11 crashes in 2013.
  - (b) There were eight crashes in 2014.
  - (c) Data is currently unavailable.
- (2) No.
- (3) Further meetings with the community consultation group will be held as required.
- (4) Not applicable.
- (5) An allocation of \$75 000 has been made for project development.
- (6) Approximately \$40 million is required to undertake the improvements.
