

TERRORIST ATTACK — BARCELONA

Statement

HON COLIN TINCKNELL (South West) [9.55 pm]: I have a very short statement; it is a condolence. One Nation would like to condemn the brutal ISIS violent terrorist act and murder of 15 people—one being a young Australian, Julian Cadman—in Barcelona, Spain earlier this month. Over 100 people were injured, of which three were Australian. Our condolences are with the families involved and we support the people of Spain and their democratic freedom against such evil crimes on society.
