

ELIZABETH QUAY — LAND SALES

804. Hon MARTIN PRITCHARD to the minister representing the Minister for Planning:

I refer to the Elizabeth Quay land sales and all associated advertising, including design work. How much has been spent on all advertising relevant to these land sales to date in Western Australia; Australia, not including WA; and outside Australia?

Hon HELEN MORTON replied:

I thank the member for some notice of the question.

The amount of \$331 178.46 has been spent. A breakdown by location is not available. Although all materials are printed in Western Australia, they may be circulated interstate and internationally. Similarly, online advertising can be viewed anywhere in the world.
