

GRAYLANDS HOSPITAL — LIST OF PSYCHIATRISTS AND GENERAL PRACTITIONERS

240. Hon SALLY TALBOT to the Minister for Mental Health:

- (1) Will the minister provide the house with a list of all the psychiatrists and general practitioners employed at Graylands Hospital in December 2012?
- (2) If not, why not?

Hon HELEN MORTON replied:

- (1) My response to that is no.
- (2) Before providing the names of all psychiatrists and general practitioners employed at Graylands Hospital in December 2012, and therefore placing their names on the public record, I would like the Department of Health to consult with those employees.
