

DEPARTMENT OF WATER AND ENVIRONMENTAL REGULATION —
COST RECOVERY DISCUSSION PAPER

57. Hon COLIN TINCKNELL to the minister representing Minister for Water:

I refer to submissions to the Department of Water and Environmental Regulation on the discussion paper on cost recovery for the Department of Water and Environmental Regulation. In an answer to question without notice 1293 asked on 4 December 2018, the Minister for Water said that the Department of Water and Environmental Regulation would publish the submissions on its website.

- (1) Has the Department of Water and Environmental Regulation published the submissions?
- (2) If yes to (1), can the minister please provide the URL link to the submissions?
- (3) If the submissions have not been published, why not; and, can we expect them to be published?

Hon ALANNAH MacTIERNAN replied:

I thank the member for the question. The minister has provided me the following answer.

- (1) No.
- (2) Not applicable. The Department of Water and Environmental Regulation is still analysing the submissions and finalising its consultation summary report.
- (3) The submissions will be published when the analysis has been completed.
