

FAMILY AND DOMESTIC VIOLENCE FATALITY — LYNN CANNON

691. Ms L. METTAM to the Minister for Police:

I have a supplementary question. When will a coronial inquiry into the police response to Lynn Cannon's death begin, and when can we anticipate a response from the police to that meeting?

Mr P. Papalia: I am not responsible for that.

The SPEAKER: The coroner comes under the Attorney General, so I rule that question out of order. That is not within the police minister's portfolio.
