

DEPUTY PREMIER'S OFFICE

55. Ms L. METTAM to the Premier:

Given the Premier has now had about a week to obtain briefings from the Deputy Premier's office with regard to leaked cabinet documents, I ask the following.

- (1) Has the investigation into potential leaked cabinet material concluded?
- (2) If so, when did it conclude and what was the outcome of that investigation?

Mr R.H. COOK replied:

- (1)–(2) I thank the member for the question. It follows up on a previous question, so I was enabled the opportunity to be briefed on this issue. I can confirm that I have been advised that there is no investigation of the nature of which the Leader of the Liberal Party has described.
