

WA COUNTRY HEALTH SERVICE — AGENCY NURSES

833. Ms L. METTAM to the Minister for Health:

I have a supplementary question. Is it not time that the Minister for Health accepts that the lack of incentives and skyrocketing crime in the regions are the real reasons we cannot attract permanent nurses?

Several members interjected.

The SPEAKER: Order, please! I am ruling that supplementary out of order. You cannot diverge into a new area in asking a supplementary.
