

SOUTH REGIONAL TAFE — ESPERANCE CAMPUS

708. Hon COLIN de GRUSSA to the minister representing the Minister for Finance:

I understand that this question was redirected from the Minister for Education and Training.

I refer to request for tender BMW 03921/19, South Regional TAFE Esperance New Replacement Campus, awarded to EMCO Building.

- (1) What time period were shortlisted tenderers provided to submit tenders?
- (2) Does the minister believe that this was sufficient time for tenderers to prepare their tenders?
- (3) Is the minister confident that the new replacement campus will be delivered in full compliance with the tender specifications and the tendered price?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. I note that in part (2), the member is asking for an opinion.

- (1)–(3) The Department of Finance advises that the tender period was four weeks, as per its standard practice for projects of this nature. The project is currently progressing on time, on budget and within the agreed scope.
