 - (iii) List those “not for profit” groups who have been dropped from providing services since coming to government in March 2017, broken down into regional and metropolitan areas; and
 - (iv) For each of the “not for profit” groups who have been dropped from providing government funded services, list the basis for the decision to no longer fund them; and
- (b) Of the “not for profit” services that have been dropped from government funding for each of the last 3 financial years, can the Minister outline whether the service has been brought “in house”, is no longer provided or is provided by another “not for profit” provider?
