

PERTH STADIUM — PEDESTRIAN BRIDGE

823. Hon MARTIN PRITCHARD to the parliamentary secretary representing the Minister for Transport:

I refer to the Minister for Transport's answer to question without notice 694 asked on 17 June in relation to the proposed stadium footbridge.

- (1) Given that two months have elapsed, is the minister now in a position to fully answer all parts of that question; and, if not, why not?
- (2) Will the minister ensure that all of the manufacturing components for this bridge will be manufactured, built and assembled in Western Australia; and, if not, why not?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question.

I am not quite happy with the answer provided and I will get back to the member with an appropriate answer.

Hon Ken Travers: It's becoming pretty common now.

Hon JIM CHOWN: No, it is not. If the member wants an answer —

The PRESIDENT: Order, the parliamentary secretary has given his answer!
