

HYDROGEN AND AMMONIA PRODUCTION FACILITY

850. Hon COLIN de GRUSSA to the minister representing the Minister for Lands:

I refer to the Premier's recent statements to the media regarding the hydrogen and ammonia production hub being proposed by Woodside.

- (1) What is the nature and extent of assistance being provided by the state government for this project?
- (2) Will the proposed 130-hectare site be leased on commercial terms?
- (3) Did the government propose any regional sites to Woodside for this project?
- (4) If no to (3), why not?

Hon ALANNAH MacTIERNAN replied:

I thank the member for the question. The Minister for Lands has provided the following answer.

- (1) DevelopmentWA will grant Woodside an option to lease.
- (2)–(3) Yes.
- (4) Not applicable.
