

**SHIRE OF DERBY/WEST KIMBERLEY WASTE SERVICES LOCAL LAW 2011 —  
DISALLOWANCE**

*Motion*

Pursuant to standing order 152(b), the following motion by Hon Sally Talbot was moved pro forma on 24 November —

That, pursuant to recommendation of the Joint Standing Committee on Delegated Legislation, the Shire of Derby/West Kimberley Waste Services Local Law 2011 published in the *Government Gazette* on 13 September 2011 and tabled in the Legislative Council on 20 September 2011 under the Local Government Act 1995, be and is hereby disallowed.

**HON SALLY TALBOT (South West)** [11.30 am]: By way of explanation for bringing on this motion some days before the days remaining for it to sit on the notice paper, honourable members will perhaps recall that on the Thursday of the last week that we sat, the house voted on a disallowance motion on a report of the Joint Standing Committee on Delegated Legislation that covered two matters—the City of Gosnells Waste Local Law 2011 and the Shire of Derby/West Kimberley Waste Services Local Law 2011. We had to debate it on that day because the City of Gosnells disallowance motion had to be dealt with then. I now move this disallowance motion and ask for the support of the house to disallow on exactly the same grounds that we gave for disallowing the City of Gosnells local waste laws. I covered the issues relating to the Shire of Derby–West Kimberley in that debate on the last Thursday that we sat.

**HON ROBYN McSWEENEY (South West — Minister for Child Protection)** [11.32 am]: The government believes that the committee's recommendations should be followed and that the Shire of Derby/West Kimberley Waste Services Local Law 2011 should be disallowed.

Question put and passed.
