

WOMEN'S AND BABIES' HOSPITAL

Notice of Motion

Ms L. Mettam (Leader of the Liberal Party) gave notice that at the next sitting of the house she would move —

That this house condemns the WA Labor government's decision to abandon the new women's and babies' hospital at Queen Elizabeth II Medical Centre in Nedlands in favour of Fiona Stanley Hospital in Murdoch, 20 kilometres south of the city and not co-located with the Perth Children's Hospital, and calls on the Minister for Health to listen to medical experts and family advocacy groups and rethink her captain's call.
