

FIRE AND EMERGENCY SERVICES — REPLACEMENT RESPONSE VEHICLES

**1433. Hon COLIN de GRUSSA to the minister representing the Minister for Emergency Services:**

I refer to the minister's answer to question on notice 2575 and the terms of reference provided with that answer that state —

The Chair and/or Senior Responsible Officer will provide verbal or written reports to governance groups, ministers and any relevant bodies as required.

- (1) Will the minister please table any such correspondence?
- (2) Given that in the minister's answer to question on notice 2575 he stated that "the minutes of the meetings will be tabled on completion of the project", but the terms of reference have no completion date for the project, will the minister now table the minutes of any meetings?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. The following answer is provided on behalf of the Minister for Emergency Services.

- (1) There has been no requirement to date.
- (2) Please refer to Legislative Council question on notice 2575 and Legislative Council question on notice 1093. The minutes of the meetings will be tabled on completion of the project to respect the integrity of the procurement process.
