

IMMIGRATION DETENTION CENTRES — STATELESS DETAINEES — RELEASE

921. Ms L. METTAM to the Minister for Police:

I have a supplementary question.

Why were appropriate measures not put in place before the detainees were released, given the advance briefing?

Mr P. PAPALIA replied:

The member may have misunderstood my answer. I said the answer I gave in the other place, which the member suggested was we were told on the morning, came from the Western Australia Police Force. That is when we were told.
