

**FREMANTLE PORT — LEAD EXPORT**

*Notice of Motion*

**Hon Sally Talbot** gave notice that at the next sitting of the house she would move —

- (1) That this house condemns the Minister for Environment and the Minister for Mines and Petroleum for their lack of openness and accountability in relation to their decision to allow lead to be transported through 22 suburbs in the metropolitan area on its way to Fremantle and calls on both ministers to explain why they have not made all details in relation to lead shipments public.
- (2) That this house also calls on the Minister for Environment to explain why, since environmental approval was given by her for Magellan Metals to transport containerised lead carbonate through suburbs to the Fremantle port, so little has been revealed to the thousands of families living in and around suburbs along the proposed transport route.
