

“PERTH AND PEEL@3.5MILLION” — POPULATION FORECAST

872. Hon MARTIN PRITCHARD to the minister representing the Minister for Planning:

I refer to the population forecasts for “Perth and Peel@3.5million”. For the year 2025, what is the projected population forecast for each of the suburbs of Yanchep, Two Rocks, Ellenbrook, Aveley, The Vines, Henley Brook, Bullsbrook, Byford, Forrestfield and High Wycombe?

Hon HELEN MORTON replied:

I thank the member for some notice of this question.

I have been advised that the Department of Planning does not have a breakdown of the population projections for specific areas, as requested. However, it does have population projections for the relevant local government areas, which are as follows. For the City of Wanneroo, population projections are 160 281 in 2011, 253 041 in 2021, and 359 885 in 2031. For the City of Swan, they are 114 300 in 2011, 170 164 in 2021, and 220 344 in 2031. For the Shire of Serpentine–Jarrahdale, they are 18 498 in 2011, 34 822 in 2021, and 53 375 in 2031. For the Shire of Kalamunda, they are 56 492 in 2011, 64 955 in 2021, and 71 001 in 2031.
