

LIVE EXPORT

**3. Hon COLIN de GRUSSA to the Minister for Agriculture and Food:**

I refer to statements attributed to the minister in the media stating her absolute support for the live sheep export industry in Western Australia. What is the McGowan government's definitive position on the future of the live sheep export industry in Western Australia?

**Hon JACKIE JARVIS replied:**

I thank the honourable member for some notice of the question. The McGowan government supports the continuation of the live sheep export industry.
