

AUSTRAL BRICKWORKS LICENCES

1151. Hon GIZ WATSON to the parliamentary secretary representing the Minister for the Environment:

Further to question without notice 797 asked on 20 September regarding the Austral Brickworks licences appeal, I ask -

- (1) Is the minister satisfied with Austral Brickworks' new monitoring methods and sites that he requested be in place by 2 November 2007?
- (2) When did the department issue any new or amended licences?
- (3) What are the additional emission limits and targets for all Austral Brickworks sites?
- (4) Can the minister please provide details on the Austral Brickworks pollution monitoring requirement at Caversham?

Hon SALLY TALBOT replied:

I thank the member for some notice of this question. The Minister for the Environment has provided the following advice.

The information is not available in the time provided. We request that the question be placed on notice.
