

WOMEN'S AND BABIES' HOSPITAL — RELOCATION

**475. Ms L. METTAM to the Premier:**

I have a supplementary question. It was a captain's call; it was meant to be tabled in weeks, not in months —

**The SPEAKER:** No, this is not for comment, it is a question.

**Ms L. METTAM:** Why does the Premier's government not stick to its commitments?

**Mr R.H. COOK replied:**

The minister made a commitment that we would table the business case, and we will make sure that we do so in the appropriate form. We want to make sure that we do it in a way that will inform the house but will not actually divulge inappropriate information that might perhaps compromise our position commercially with any contractors that we want to engage in relation to developing it. The commitment remains the same, member, and will be done as soon as possible.
