

CONTAINER DEPOSIT SCHEME

Petition

HON SALLY TALBOT (South West) [10.05 am]: I present a petition containing 98 signatures, which is couched in the following terms —

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia support actions that increase the number of beverage containers recycled in Western Australia and assist in improving the ongoing litter problem we have in our state.

Your petitioners therefore respectfully request the Legislative Council to call upon the Barnett Government to immediately introduce a Western Australian Container Deposit Scheme, similar to the system that operates in South Australia.

And your petitioners as in duty bound, will ever pray.
