**MS C.M. ROWE (Belmont)** [12.32 pm]: I have a petition that has been certified by the Clerks. It is signed by 18 petitioners, and is in the following terms —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that local library services in Guildford are essential infrastructure for our community, particularly families with young children, residing in the area; including in South Guildford.

Now we ask the Legislative Assembly

*To act to ensure that the Guildford Public Library remains open and accessible to our community members and their families.*
