

CAMP QUARANUP, ALBANY

277. Hon SALLY TALBOT to the Leader of the House representing the Minister for Sport and Recreation:

Will the Minister for Sport and Recreation provide details of what planning is currently underway for the redevelopment of the historic Camp Quaranup in Albany, including any costing and time frames on when it will happen?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of the question.

The Department of Sport and Recreation has engaged two consultancies—one to develop a better understanding of the engineering issues of the site and one to scope a heritage conservation plan. These documents will provide direction on the site's master plan. Given the complexities of the site, it is expected that the master plan will be completed by the end of 2016.
