

ROADS — FEDERAL FUNDING — MANNING ROAD ON-RAMP AND  
OCEAN REEF ROAD OVERPASS

**919. Hon MARTIN PRITCHARD to the parliamentary secretary representing the Minister for Transport:**

I refer to the federal government's funding commitments of \$20 million to the Manning Road on-ramp and \$20 million to the Ocean Reef Road overpass. For each of these projects —

- (1) What is the expected total cost?
- (2) When is the project scheduled to be completed?
- (3) What is the state government's funding amount?
- (4) When is funding expected to be received from the federal government?
- (5) What is the timetable for the state government's funding allocation?

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of the question.

- (1) The estimated cost is \$35 million and \$40 million to \$50 million respectively.
- (2) This is unknown at present for both projects.
- (3) State funding will be considered in future budgets.
- (4) This will be determined once state budget allocations have been considered.
- (5) Funding for these and other road projects will be considered as part of future state government budget processes in accordance with the determination of priorities.
