

**KING GEORGE SOUND — DREDGING SPOIL DUMPING**

*Petition*

**HON SALLY TALBOT (South West)** [3.03 pm]: I have a petition containing 73 signatures couched in the following terms —

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, are opposed to the Albany Port Authority dumping dredging spoil at either of the proposed sites in King George Sound, because of the impact it will have on the pristine waters, marine based business operators and local beaches within King George Sound.

Your petitioners therefore respectfully request that the Legislative Council fully investigate other dumping site options.

And your petitioners in duty bound, will ever pray.
