

POLICE — COMMUNITY PROGRAMS

**599. Hon COLIN TINCKNELL to the minister representing the Minister for Police:**

Can the minister please tell me how much funding was provided for each of the following police community programs over the last five years: the armed robbery prevention program; the blue light program; community safety crime prevention plans; the Constable Care Child Safety Foundation; the keeping kids in school program; police and community youth centres; the police ranger program; the SAY project; and the ThinkUKnow program?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. The following answer was provided by the Minister for Police.

The Western Australia Police Force advises that it is not possible for a response to be provided within the required time frame. It is requested that the honourable member place this question on notice.
