1288. Hon MARTIN PRITCHARD to the Leader of the House representing the Premier:

I refer to the Public Sector Commission's payments to Stantons International for the financial years 2014–15 and 2015–16, as detailed in the commission's response to the Legislative Council's Standing Committee on Estimates and Financial Operations.

- (1) What is the breakdown of the \$56 450 and \$30 794 payments to Stantons International for the respective financial years 2014–15 and 2015–16?
- (2) For each of the payments outlined in (1) —
 - (a) on what date was Stantons International engaged to provide the audit, review or financial service;
 - (b) what was the specific nature or terms of reference of the service undertaken;
 - (c) were any state government agencies associated with, or mentioned in, the terms of reference for the service undertaken; and, if yes, which agencies;
 - (d) were any written reports provided to the Public Sector Commission as a result of the service undertaken; and
 - (e) if yes to (d), what is the full title of each report?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of the question.

Due to the amount of research information required to be obtained to answer questions (1) and (2), the Public Sector Commission has requested a time extension with the requested information to be provided at the next sitting date of 15 November 2016. I think that is reasonable.
