

FREMANTLE PORTS — PRIVATISATION

**617. Hon MARTIN PRITCHARD to the minister representing the Treasurer:**

- (1) Will the purchaser of Fremantle port be required to ensure that at least 30 per cent of containers are moved by rail?
- (2) If yes to (1), how will this be enforced?
- (3) If no to (1), why not?

**Hon HELEN MORTON replied:**

I thank the member for some notice of the question.

- (1) The volume of container movement through the Fremantle Port Authority via the state's rail network will be considered as part of the detailed scoping and due diligence phase of the sale process, which will commence later this year.
- (2)–(3) Not applicable.
