

PUPPY FARMING — WORKING GROUP

159. Hon COLIN de GRUSSA to the Leader of the House representing the Minister for Local Government:

I refer to the Premier's media statement of 9 February titled "McGowan Government to introduce legislation to end puppy farming".

- (1) For what purpose was the Stop Puppy Farming Implementation Working Group formed?
- (2) What community, industry and stakeholder groups, and individuals did the working group directly meet and consult with?
- (3) What are the terms of reference, current and past memberships, and all meeting dates of the working group?
- (4) Will the minister please table —
 - (a) all minutes of any meetings held by the puppy farming working group; and
 - (b) any reports, submissions, briefings or papers submitted to government by the working group?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question. I am delighted to table the attached information in response to the member's questions.
