

DEPARTMENT OF ENVIRONMENT AND CONSERVATION — PRESCRIBED BURNS

**1105. Hon SALLY TALBOT to the minister representing the Minister for Environment:**

I refer to the 50 controlled burns started by the Department of Environment and Conservation since 1 July this year that have not yet been completed.

- (1) Which of these areas contain live fires now?
- (2) Where are the locations of these live fires?
- (3) What is the status of the areas that do not currently contain live fires?
- (4) Where are the locations of these areas that do not contain live fires?

**Hon HELEN MORTON replied:**

I thank the member for some notice of the question.

- (1)–(4) Given current staff commitments to the management of bushfires in the South West, the Department of Environment and Conservation is not able to provide these details today.
