

QEII MEDICAL CENTRE — CAR PARK

575. Hon SALLY TALBOT to the parliamentary secretary representing the Minister for Transport:

- (1) How many vehicles enter the visitor and staff multi-deck car park at QEII Medical Centre each day from Winthrop Avenue?
- (2) What is the speed limit on Winthrop Avenue at the car park entrance?
- (3) Do the traffic lights at the entrance on Winthrop Avenue operate with arrows for traffic turning into the car park?
- (4) How many traffic accidents have there been at this intersection since the car park opened?

Hon JIM CHOWN replied:

- (1) Main Roads does not have this information.
- (2) 70 kilometres an hour.
- (3) Yes.
- (4) The car park opened in October 2012. There have been no reported crashes on Winthrop Avenue between Aberdare Road and Monash Avenue in the period 1 October 2012 to 31 December 2013, which are the most recent statistics available.
