

STANTON ROAD AND SECOND STREET, REDCLIFFE

Petition

MS C.M. ROWE (Belmont) [1.06 pm]: I have a petition that has been certified by the Clerks, from 61 petitioners, in the following terms —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned say the rat running along Stanton Road and Second Street Redcliffe by vehicles seeking to enter the Airport Estate via Central Avenue is creating stressful and hazardous traffic conditions for residents of Stanton Road and Second Street, and local schools. The situation is hazardous now but it is proposed that 1 200 vehicles per hour will use Stanton Road and Second Street in the near future, which will put lives at risk. Now we ask the Legislative Assembly

1. That the Minister for Transport, Planning, Land meet with local residents as soon as possible on site.
2. That the Minister for Transport take action to stop the aforementioned rat running on Stanton Road and Second Street before someone is seriously injured.
