

ROELANDS ROAD TRAIN ASSEMBLY AREA

743. Hon SALLY TALBOT to the parliamentary secretary representing the Minister for Transport:

I refer to my question without notice 479 asked on 6 May 2015 regarding the Roelands road train assembly.

- (1) Has the issue been resolved?
- (2) If not, why not?
- (3) If yes, what alternative arrangements have been put in place to resolve the issue?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question. This is an issue I had been pursuing for some time before the member opposite became interested in it and I am not entirely happy with the response to the question I have before me. I will be looking for a more positive answer at a future date.
