

MINISTER FOR POLICE — PROPERTY AND COMMERCIAL INTERESTS —
MINISTERIAL CODE OF CONDUCT

411. Hon MARTIN PRITCHARD to the Attorney General representing the Minister for Police:

I refer to the multimillion-dollar Scarborough foreshore redevelopment and the Minister for Police's various property and commercial interests within and just outside the redevelopment zone.

- (1) Has the minister declared all property and other interests under the Ministerial Code of Conduct?
- (2) If yes to (1), on what date or dates were declarations made?
- (3) Was it determined whether a perceived or actual conflict of interest existed in relation to the minister's interests?
- (4) If yes to (3), how is the minister managing that potential for a perceived or actual conflict of interest?
- (5) If no to (3), on what basis was it determined that no perceived or actual conflict existed?

Hon MICHAEL MISCHIN replied:

On behalf of the Minister for Police, I thank the honourable member for some notice of the question.

- (1) Yes.
- (2) Disclosures of pecuniary and other interests under the Ministerial Code of Conduct are updated annually. In addition, any significant changes in declared interests are disclosed in supplementary statements within four weeks of becoming aware of the changes. The minister, like all members, also updates disclosures annually under the Members of Parliament (Financial Interests) Act 1992.
- (3)–(5) In relation to managing matters surrounding the Scarborough beach development, I refer the member to the answer to Legislative Council question without notice 647 of 2013.
