

ON-FARM EMERGENCY WATER INFRASTRUCTURE REBATE SCHEME

266. Hon COLIN de GRUSSA to the Minister for Agriculture and Food:

I refer to the federal government's on-farm emergency water infrastructure rebate scheme and the decision by the Minister for Water not to sign up to the scheme.

- (1) Was the minister consulted on the decision by the state Minister for Water not to sign up to the scheme?
- (2) Does the minister agree with the decision?

Hon ALANNAH MacTIERNAN replied:

I would ask that the member give us some notice of that question, and I would be happy to answer that tomorrow.
