

CORONAVIRUS — RESIDENTIAL TENANCIES

915. Hon COLIN TINCKNELL to the minister representing the Treasurer:

My question relates to the COVID-19 relief package.

- (1) How many residential tenants have applied for the grant of up to \$2 000?
- (2) How many grants have been approved and paid?
- (3) What is the total amount paid out to date?
- (4) What is the average wait time from application to payment?
- (5) What is the average amount paid to successful applicants?
- (6) What was the promotional budget for raising awareness about the scheme to the public?
- (7) Why is this residential scheme being administered by the Department of Mines, Industry Regulation and Safety?

The PRESIDENT: That was a very long question, member.

Hon STEPHEN DAWSON replied:

I do not have an answer to that question. I did not see it earlier, so I will have to check whether it was lodged. If it was lodged and an answer comes in, I will provide it at the end of question time.
