#### **5. Pay-roll tax on WA taxable wages**

- (1) Pay-roll tax is payable, in accordance with the pay-roll tax Acts, on wages that are WA taxable wages.
- (2) **WA taxable wages** are wages, other than exempt wages, that are taxable in this jurisdiction.

*[Section 5 amended by No. 15 of 2010 s. 5.]*

#### **6A. Wages that are taxable in this jurisdiction**

- (1) Wages are taxable in this jurisdiction if —
  - (a) the wages are paid or payable by an employer for or in relation to services performed by a person wholly in this jurisdiction; or
  - (b) the wages are paid or payable by an employer for or in relation to services performed by a person in 2 or more Australian jurisdictions, or partly in one or more Australian jurisdictions and partly outside all Australian jurisdictions, and —
    - (i) the person is based in this jurisdiction; or
    - (ii) the employer is based in this jurisdiction — in a case where the person is not based in an Australian jurisdiction; or
    - (iii) the wages are paid or payable in this jurisdiction — in a case where both the person and the employer are not based in an Australian jurisdiction; or
    - (iv) the wages are paid or payable for services performed mainly in this jurisdiction — in a case where both the person and employer are not based in an Australian jurisdiction and the wages

---

are not paid or payable in an Australian jurisdiction;

or

- (c) the wages are paid or payable by an employer for or in relation to services performed by a person wholly outside all Australian jurisdictions and are paid or payable in this jurisdiction.

Note:

Section 41B provides an exemption for wages paid or payable for services performed wholly in one or more other countries for a continuous period of more than 6 months.

- (2) The question of whether wages are taxable in this jurisdiction is, subject to this section, to be determined by reference only to the services performed by the person in respect of the employer during the month in which the wages are paid or payable.
- (3) For that purpose, any wages paid or payable by an employer in respect of a person in a particular month are taken to be paid or payable for or in relation to the services performed by the person in respect of the employer during that month.

Note:

For example, if wages paid in a month are paid to a person for services performed over several months, the question of whether the wages are taxable in this jurisdiction is to be determined by reference only to services performed by the person in the month in which the wages are paid. The services performed in previous months are disregarded for this purpose.

- (4) If no services are performed by a person in respect of an employer during a month in which wages are paid or payable to or in relation to the person by the employer —
- (a) the question of whether the wages are taxable in this jurisdiction is to be determined by reference only to the services performed by the person in respect of the employer during the most recent prior month in which the person performed services in respect of the employer; and
- (b) the wages are taken to be paid or payable for or in relation to the services performed by the person in respect of the employer during that most recent prior month.
- (5) If no services are performed by a person in respect of an employer during a month in which wages are paid or payable to or in relation to the person by the employer and no services

were performed by the person in respect of the employer during any prior month —

- (a) the wages are taken to be paid or payable for or in relation to services performed by the person during the month in which the wages are paid or payable; and
  - (b) the services are taken to have been performed at a place or places where it may be reasonably expected that the services of the person in respect of the employer will be performed.
- (6) All amounts of wages paid or payable in the same month by the same employer in respect of the same person are to be aggregated for the purposes of determining whether they are taxable in this jurisdiction.

Note:

For example, if one amount of wages is paid by an employer in a particular month for services performed in this jurisdiction, and another amount of wages is paid by the same employer in the same month for services performed by the same person in another Australian jurisdiction, the wages paid are to be aggregated as if they were paid for all the services performed by the person in that month.

- (7) If wages are paid in a different month from the month in which they are payable, the question of whether the wages are taxable in this jurisdiction is to be determined by reference to the earlier of the relevant months.
- (8) If an amount that is paid or payable to a company is, under section 9GA or 21, taken to be wages paid or payable to another person, subsection (1)(b) has effect as if references to the jurisdiction in which the person who performs the services is based were references to the jurisdiction in which the company is based and, for that purpose, the jurisdiction in which the company is based is to be worked out under section 6C as if the company were an employer.

*[Section 6A inserted by No. 15 of 2010 s. 6.]*

**6B. Jurisdiction in which person who performs services is based**

- (1) The jurisdiction in which a person who performs services is based is the jurisdiction in which the person's principal place of residence is located.
- (2) The jurisdiction in which the person is based is to be determined by reference to the state of affairs existing during the month in which the relevant wages are paid or payable.

**Pay-roll Tax Assessment Act 2002**

**Part 2** Liability and assessment

**Division 1** Liability to pay-roll tax

**s. 6C**

---

- (3) If more than one jurisdiction would qualify as the jurisdiction in which the person is based during a month, the jurisdiction in which the person is based is to be determined by reference to the state of affairs existing on the last day of that month.
- (4) If the person does not have a principal place of residence, the person is taken to be a person who is not based in an Australian jurisdiction.

*[Section 6B inserted by No. 15 of 2010 s. 6.]*

**6C. Jurisdiction in which employer is based**

- (1) The jurisdiction in which an employer is based is —
  - (a) the jurisdiction in which the employer's registered business address is located — if the employer has an ABN; or
  - (b) the jurisdiction in which the employer's principal place of business is located — in any other case.
- (2) If wages are paid or payable in connection with a business carried on by an employer under a trust, the employer's registered business address is the registered business address of the trust or, if the trust does not have an ABN, the registered business address of the trustee of the trust.
- (3) If an employer has registered business addresses located in different jurisdictions at the same point in time, the jurisdiction in which the employer is based at that point in time is the jurisdiction in which the employer's principal place of business is located.
- (4) The jurisdiction in which an employer is based is to be determined by reference to the state of affairs existing during the month in which the relevant wages are paid or payable.
- (5) If more than one jurisdiction would qualify as the jurisdiction in which an employer is based during a month, the jurisdiction in which the employer is based is to be determined by reference to the state of affairs existing on the last day of that month.
- (6) An employer who has neither a registered business address nor a principal place of business is taken to be an employer who is not based in an Australian jurisdiction.

*[Section 6C inserted by No. 15 of 2010 s. 6.]*

**6D. Place and date of payment of wages**

- (1) In this section —  
*instrument* includes a cheque, bill of exchange, promissory note, money order or a postal order issued by a post office.
- (2) Wages are taken to have been paid at a place if, for the purpose of the payment of those wages —
- (a) an instrument is sent or given or an amount is transferred by an employer to a person or a person's agent at that place; or
  - (b) an instruction is given by an employer for the crediting of an amount to the account of a person or a person's agent at that place.
- (3) The wages are taken to have been paid on the date that the instrument was sent or given, the amount was transferred or the account credited in accordance with the instruction (whichever is relevant).
- (4) Subject to this section, wages are taken to be payable at the place at which they are paid.
- (5) Wages that are not paid by the end of the month in which they are payable are taken to be payable at —
- (a) the place where wages were last paid by the employer for or in relation to services performed by the person; or
  - (b) if wages have not previously been paid by the employer for or in relation to services performed by the person — the place where the person last performed services in respect of the employer before the wages became payable.
- (6) If wages paid or payable in the same month by the same employer in respect of the same person are paid or payable in more than one Australian jurisdiction, the wages paid or payable in that month are taken to be paid or payable in the Australian jurisdiction in which the highest proportion of the wages are paid or payable.

*[Section 6D inserted by No. 15 of 2010 s. 6.]*

**6. Time for payment of pay-roll tax**

**7. Liability to pay-roll tax**

- (1) An employer who pays or is liable to pay WA taxable wages is liable to pay any pay-roll tax payable on the wages.
- (2) Pay-roll tax payable on wages by a member or members of a group is a debt due jointly and severally by each person who is a member of the group during the period in which the wages become payable.
- (3) A liability arising under subsection (2) does not affect the liability of an employer under subsection (1).
- (4) A person who is liable to pay pay-roll tax is also liable to pay any penalties, interest or other amounts payable under a pay-roll tax Act in connection with the pay-roll tax.

**8. Tax thresholds and tapering value**

- (1) The annual threshold amount for —
  - (a) the financial years beginning on 1 July 2014 and 1 July 2015 is \$800 000; and
  - (b) a financial year beginning on or after 1 July 2016 is \$850 000.
- (2) The monthly threshold amount for —
  - (a) the financial years beginning on 1 July 2014 and 1 July 2015 is \$66 667; and
  - (b) a financial year beginning on or after 1 July 2016 is \$70 833.
- (3) The upper threshold amount is \$7 500 000.
- (4) The tapering value for a financial year is to be calculated as follows —

$$\frac{AT}{UT - AT}$$

where —

AT is the annual threshold amount for the year;

UT is the upper threshold amount.

(b) whether paid or payable in cash or in kind.

*[Section 9AA inserted by No. 15 of 2010 s. 7.]*

**Subdivision 2 — Fringe benefits and specified taxable benefits**

*[Heading inserted by No. 15 of 2010 s. 7.]*

**9BA. Wages include fringe benefits and specified taxable benefits**

(1) The value of a fringe benefit or a specified taxable benefit that is provided by an employer to or in relation to an employee is taken to be wages paid by the employer to the employee unless the benefit is a fringe benefit constituted by the grant of a share or an option that constitutes wages under Subdivision 4.

(2) Subsection (1) does not apply to benefits that are exempt benefits for the purposes of the FBTA Act.

*[Section 9BA inserted by No. 15 of 2010 s. 7; amended by No. 29 of 2012 s. 17.]*

**9BB. Actual value of fringe benefit**

(1) The value of a fringe benefit (*V*) is to be calculated in accordance with the formula —

$$V = TV \times \frac{1}{1 - \text{FBT rate}}$$

where —

**FBT rate** is the rate of fringe benefits tax, imposed for the purposes of the FBTA Act, that applies when the liability to pay-roll tax under this Act arises;

**TV** is the taxable value of the benefit as a fringe benefit for the purposes of the FBTA Act.

(2) The value of a fringe benefit calculated in accordance with subsection (1) is the **actual value** of the fringe benefit.

*[Section 9BB inserted by No. 15 of 2010 s. 7.]*

**9BC. Basis for including value of fringe benefits in returns**

(1) If an employer is required to specify in a return WA taxable wages that include the value of fringe benefits provided by the employer, the employer may, instead of including the actual value of the fringe benefits, include a value of the fringe benefits calculated using the estimated value method, if the employer is eligible to do so.

- (2) An employer must use the same basis upon which to include the value of fringe benefits in returns for all returns for an assessment year unless the Commissioner allows a change during that year under section 9BH(4).

*[Section 9BC inserted by No. 15 of 2010 s. 7.]*

**9BD. Eligibility to use estimated value method**

An employer is eligible to use the estimated value method to calculate the value of fringe benefits provided by the employer in an assessment year if the employer —

- (a) has provided WA fringe benefits for at least the 15 months ending immediately before the beginning of the assessment year; and
- (b) lodges monthly returns for the assessment year.

*[Section 9BD inserted by No. 15 of 2010 s. 7.]*

**9BE. Returns (other than annual returns) using estimated value method**

- (1) If an employer, other than one who lodges an annual return, uses the estimated value method for an assessment year, the value of the fringe benefits (*V*) to be included in each return for the year except the last return is to be calculated in accordance with the formula —

$$V = AV \times \frac{1}{N}$$

where —

*AV* is the actual value of the fringe benefits provided by the employer in relation to the FBT year ending on 31 March in the financial year immediately before the assessment year;

*N* is the number of returns in the assessment year.

- (2) The value of the fringe benefits to be included in the employer's last return for the assessment year is the amount equal to the difference between —
- (a) the actual value of the WA fringe benefits provided by the employer during the FBT year that ended on 31 March in the assessment year; and
  - (b) the sum of the amounts included in each of the previous returns for the assessment year under subsection (1).

*[Section 9BE inserted by No. 15 of 2010 s. 7.]*

**9BF.    Annual returns using estimated value method**

If an employer who lodges an annual return for an assessment year uses the estimated value method for the assessment year, the value of the fringe benefits to be included in the return is the amount equal to the actual value of the WA fringe benefits provided by the employer for the FBT year that ended on 31 March in the assessment year.

*[Section 9BF inserted by No. 15 of 2010 s. 7.]*

**9BG.    Final returns using estimated value method**

If an employer who uses the estimated value method lodges a final return for an assessment year, the value of the fringe benefits to be included in the return is the amount equal to the difference between —

- (a) the sum of —
  - (i) the WA fringe benefits provided by the employer for the FBT year that ended on 31 March in the assessment year; and
  - (ii) the WA fringe benefits provided by the employer for April, May and June in the assessment year (if any);

and

- (b) the sum of —
  - (i) one quarter of the WA fringe benefits provided by the employer for the FBT year that ended in the first financial year for which the employer last chose to make returns using the estimated value method; and
  - (ii) the total of the amounts of WA fringe benefits included in the returns for the assessment year.

*[Section 9BG inserted by No. 15 of 2010 s. 7.]*

**9BH.    Changing method of valuing fringe benefits**

- (1) An employer may commence using the estimated value method for an assessment year if the employer —
  - (a) is eligible to use the estimated value method; and
  - (b) gives the Commissioner notice of the intention to do so before the day on which the first or only return for the assessment year is required to be lodged by the employer.

- (2) An employer may cease using the estimated value method for an assessment year if the employer gives the Commissioner notice of the intention to do so before the day on which the first or only return for the assessment year is required to be lodged by the employer.
- (3) A notice under subsection (1) or (2) must be in a form approved by the Commissioner.
- (4) On the written application of an employer, the Commissioner may allow the employer to change the basis upon which to include the value of fringe benefits in returns during an assessment year if the Commissioner is satisfied that —
- (a) there is a compelling reason for making the change; and
  - (b) where relevant — if the change were not made, the amount of pay-roll tax paid by the employer during the assessment year would be substantially greater than the amount payable for the assessment year on the actual value of the fringe benefits provided by the employer for the assessment year.
- (5) If an employer ceases using the estimated value method during an assessment year, the value of the fringe benefits to be included in the last return lodged by the employer for the assessment year is the amount equal to the difference between —
- (a) the sum of —
    - (i) the actual value of the WA fringe benefits provided by the employer for the FBT year ending on 31 March in the assessment year; and
    - (ii) the actual value of the WA fringe benefits provided by the employer in April, May and June of the assessment year (if any);and
  - (b) the sum of —
    - (i) one quarter of the actual value of the WA fringe benefits provided by the employer for the FBT year that ended in the first financial year in which the employer last chose to make returns using the estimated value method; and
    - (ii) the total of the amounts of the WA fringe benefits included in the employer's returns for the assessment year.

For the purposes of this Subdivision —

  - (a) \$20 000; or
  - (b) a greater amount prescribed for the purpose of this subsection by the regulations.
- (1aa) Except as stated in subsection (1c) or (1d), the Commissioner has to give an exemption on receiving an application from an employer having, or the DGE of a group having, an expected pay-roll tax liability for the assessment year that is not less than the amount applying under subsection (1a)(a) or (b) but is less than —

**s. 29**

---

(1b) In subsections (1a) and (1aa) —

***expected pay-roll tax liability*** means the amount of pay-roll tax for which the employer or group would be liable in the assessment year if, during that year, the employer, or the employers of the group between them, paid or were liable to pay Australian taxable wages — ~~WA taxable wages and interstate taxable wages~~ —

- (a) equal to those that the employer paid or was liable to pay, or the employers of the group between them paid or were liable to pay, during the immediately preceding assessment year; or
- (b) if the Commissioner is satisfied that applying paragraph (a) would not result in a reasonable approximation of the wages to be paid in the assessment year, as reasonably assessed by the employer or, in the case of a group, the DGE.

(1c) The Commissioner may decline to give an exemption until the applicant provides to the Commissioner sufficient information to justify any assessment under paragraph (b) of the definition of ***expected pay-roll tax liability*** in subsection (1b).

(1d) The Commissioner may decline to give an exemption if the Commissioner considers that the effect of the exemption would create an unacceptable risk of a person failing to satisfy a liability in accordance with this Act.

(2) The Commissioner may, in any other circumstances, exempt an employer from the requirement to lodge monthly returns.

(3) The Commissioner may give an exemption on receiving an application or on his or her initiative.

(4) An exemption is subject to the conditions (if any) prescribed in the regulations and to the conditions specified in the notice (if any).

(4b) An exemption under subsection (1a) cannot exclude the operation of subsection (8)(a).

- (4c) Without limiting any other conditions that can be prescribed or specified, an exemption under subsection (1aa) is on the conditions that —

  - (b) the return is lodged in accordance with section 28A; and
  - (c) any return under section 27 is also lodged in accordance with section 28A.
- (4d) In subsection (4c) —
- quarter** means a period of 3 months commencing on 1 July, 1 October, 1 January or 1 April.
- (5) An exemption continues in force until it is revoked.
- (6) The Commissioner may revoke an exemption at any time by giving the employer notice of the revocation except that the Commissioner cannot revoke an exemption that subsection (1a) or (1aa) would oblige the Commissioner to give if an application were made for the exemption unless —
- (a) the person having the benefit of the exemption consents; or
  - (b) the Commissioner considers that the effect of the exemption would create an unacceptable risk of a person failing to satisfy a liability in accordance with this Act.
- (7) Granting an exemption does not exempt the employer from any liability to pay-roll tax, even if it has the effect of postponing the time for payment of the pay-roll tax.
- (8) A person who is exempted from lodging monthly returns for an assessment year must —
- (a) lodge an annual return within 21 days after the end of the assessment year, unless a condition of the exemption otherwise provides; or

- Penalty: a fine of \$5 000.
- (9) An annual return must —

**Division 2 — Provisions for the *Pay-roll Tax Assessment Amendment Act 2010* in relation to grouping of employers**

*[Heading inserted by No. 15 of 2010 s. 26.]*

**4. Exclusion from group in force before 1 July 2012**

If the Commissioner has excluded a person from a group under section 31(4) or 32(3) (as in force before 1 July 2012) and that exclusion was in force immediately before 1 July 2012, that exclusion has effect, according to its terms, on and after 1 July 2012, as if it had been granted under Part 4 (as in force on and after 1 July 2012).

*[Clause 4 inserted by No. 15 of 2010 s. 26.]*

**5. Exclusion from group granted on or after 1 July 2012**

**6. Exclusion from group having effect before 1 July 2012**

The Commissioner may, on and after 1 July 2012, exclude a person from a group for a period that is before 1 July 2012 but not on or after 1 July 2012, and may do so as if the *Pay-roll Tax Assessment Amendment Act 2010* Part 2 Division 3 had not come into operation.

Anything done or omitted to be done by an employer in connection with the assessment and payment of pay-roll tax, in respect of a month occurring after June 2009 and before July 2011, that would have been

**cl. 8**

---

validly done or omitted to be done had the amendments made to this Act by the *Revenue Laws Amendment Act 2012* Part 5 Division 2 been in force, is taken to have been validly done or omitted.

Note:

This provision validates a decision by an employer to treat the grant of a share or an option to an employee that is not an ESS interest as a fringe benefit under Part 2 Division 2A Subdivision 2 and to determine the value of those fringe benefits in accordance with those provisions, rather than by reference to Part 2 Division 2A Subdivision 4.

*[Clause 7<sup>3</sup> inserted by No. 29 of 2012 s. 25.]*

**8. Determination of vesting day and value of employee shares and options**

**old section 9DA** means section 9DA as in force immediately before 1 July 2011;

**relevant day** has the meaning given in section 9DA(4).

(2) Part 2 Division 2A Subdivision 4 continues to apply in respect of a share or an option granted before 1 July 2011 that constituted wages under old section 9DA, whether or not the grant of the share or option would constitute wages under new section 9DA, if the relevant day in relation to the grant of the share or option is not a day occurring before 1 July 2011.

Note:

For example, a share granted before 1 July 2011 that is not an ESS interest continues to be treated as wages under Part 2 Division 2A Subdivision 4 if the vesting day for the share did not occur before 1 July 2011 and the employer did not elect to treat the day of the grant as the relevant day.

(3) Sections 9DB and 9DD as amended by the assessment amendments apply in respect of any such share or option.

(4) Accordingly, the vesting day and the value of the share or option are to be determined in accordance with those sections as amended by the assessment amendments.

(5) This clause does not apply in respect of a share or an option granted before 1 July 2011 if the liability for pay-roll tax in respect of the grant is determined in accordance with Part 2 Division 2A Subdivision 2 (as permitted by clause 7).

*[Clause 8<sup>3</sup> inserted by No. 29 of 2012 s. 25.]*

**9. Shares and options granted on or after 1 July 2011 and before Revenue Laws Amendment Act 2012 received Royal Assent**

Subject to the *Taxation Administration Act 2003* section 17(4), if an employer granted a share or an option to a person —

- (a) on or after 1 July 2011; and
- (b) before the *Revenue Laws Amendment Act 2012* received the Royal Assent,

the Commissioner must make any reassessment necessary to give effect to this Act as amended by the *Revenue Laws Amendment Act 2012* Part 5 Division 2.

- (5) If the Minister makes a determination under section 42C of the new provisions that the previously exempt charitable body or organisation in respect of which an exemption was revoked is a beneficial body for the purposes of the taxation Acts, then the new provisions apply in relation to that determination as if —
  - (a) a reference in section 42C(7)(a) to the day on which the determination comes into force for the purposes of this Act were a reference to the specified day; and

  - (a) the charitable body or organisation becomes registered and applies for an exemption; and
  - (b) the Commissioner decides that the charitable body or organisation is a relevant body.
- (2) Despite section 41(3A), the Commissioner may give an exemption under section 41(2) to a charitable body or organisation to which this clause applies but such an exemption —
  - (a) does not apply to the period on and after commencement day; and
  - (b) is to be taken to have been revoked immediately before that day.

*[Clause 12 inserted by No. 8 of 2015 s. 15.]*

**13. A body or organisation given an exemption under clause 12 may apply for a beneficial body determination**

- (1) If the Commissioner makes a decision under clause 12(1)(b) solely on the ground that the charitable body or organisation is a relevant body referred to in section 42A(c), (d), (e) or (f) (the *relevant body*), then —
- (a) an application may be made under section 42B for a beneficial body determination in respect of the relevant body; and
  - (b) the new provisions apply to and in respect of that application, and any subsequent determination, as if a reference in section 42B(1) to the decision were a reference to the decision of the Commissioner under clause 12(1)(b).
- (2) If the Minister makes a beneficial body determination under section 42C in respect of a relevant body, then the new provisions apply in relation to that determination as if —
- (a) a reference in section 42C(7)(a) to the day on which the determination comes into force for the purposes of this Act were a reference to commencement day; and
