3. Statement by President — Members' Annual Returns

The President made the following Statement —

I remind any Members who have not already done so, to lodge with the Deputy Clerk their annual returns for the 2016–17 financial year under the *Members of Parliament (Financial Interests) Act 1992*. I understand that 18 are still outstanding. I note that Thursday this week—that is tomorrow—is the last sitting day before the 30 September statutory deadline for the lodgement of returns. I encourage those members who have not already done so, to fill out the paperwork and lodge it please. It is in your own best interest.

4. Statement by President — Interpreting the Law — Presentation for Members

The President made the following Statement —

My next statement is about a training session for members on interpreting the law, an introduction for non-lawyers. I advise that tomorrow between 1.00 pm and 2.00 pm in the Centenary Room, Assistant Professor Jacinta Dharmananda from the Law School at the University of Western Australia will be giving a presentation to members on statutory interpretation. The focus will be on the fundamental principles and key tools that may assist Members in understanding and interpreting Statutes and the Bills that come before the House. This will include discussion on the role of the courts, key aspects of Western Australian interpretation legislation and how explanatory memoranda, second reading speeches, *Hansard* and other parliamentary materials may or may not be used. I encourage Members, particularly newly elected Members, to attend. I understand that currently the quota from the Legislative Council is very low, so if you do not have anything else to do during that break between 1.00 pm and 2.00 pm tomorrow, I would encourage you to avail yourself of this opportunity.
