**Subject:** Where from? Where to? Discussion Paper

I was provided with a copy of the Committee's discussion paper by my CEO, Dr Dawn Casey. I have been working in policy in government for 10 years. I am familiar with seeing reports and documents carefully researched and prepared being largely unread. I have read the report, enjoyed reading it and simply wanted to express my appreciation of the work that went into it. I wish the Committee and its staff all the best in achieving the outcomes of its inquiry. I look forward to reading the reports to follow.
