Dear Madam

SUBMISSION - INQUIRY INTO MUNICIPAL WASTE MANAGEMENT IN WESTERN AUSTRALIA

The City of Mandurah Supports the Rivers Regional Council (RRC) submission in regards to the above.

It is recognised that, the submission is relatively brief, mainly due to time constraint, focusing on key issues and matters. The time constraint has not allowed Elected Members of the City of Mandurah the opportunity to endorse the submission.

The submission will be presented to the Ordinary Council Meeting to be held in March 2009 and should there be any issues raised by Council, I will forward them to you.

I look forward to the outcome of the Committee's deliberations and should you have any further queries please do not hesitate to contact me on 9550 3851 or allan.claydon@mandurah.wa.gov.au

Yours sincerely
