PETITION IN RELATION TO THE DEVELOPMENT OF THE GREENPATCH, DALYELLUP, WESTERN AUSTRALIA [LOTS 9015, 9076 AND 8019 DALYELLUP PLAN NUMBER 11453P-SP-04B]

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned are opposed to the development of the Greenpatch (Structure Plan 11453P-SP-04B Lots 9105, 9076, 8019 Dalyellup).

The new proposed high-density residential development is in close proximity to a Waste Water (sewerage) Treatment Plant (WWTP). We are concerned the prospective residents will be heavily impacted by odours from the WWTP since we believe the current odour buffer boundary is not sufficiently conservative.

We therefore ask the Legislative Council to support measures to stop the development of the Greenpatch (Structure Plan 11453P-SP-04B Lots 9105, 9076, 8019 Dalyellup) and to recommend the area to be ceded into the Shearwater Tuart Forest to form part of the Preston River to Ocean Regional Park.

And the petitioners as in duty bound, will ever pray.
